WHY YOU SHOULD ATTEND

Join us at the 39th EAST Annual Scientific Assembly, where innovation, education, and community come together. Whether you are early in your career or a seasoned expert, this is your opportunity to connect with leaders in the field, sharpen your skills, and help shape the future of trauma and acute care surgery.

PROGRAM HIGHLIGHTS

STAY AHEAD WITH LEADING-EDGE SCIENTIFIC SESSIONS

BUILD MEANINGFUL RELATIONSHIPS WITH EXPERTS AND COLLEAGUES

DEVELOP SKILLS THROUGH HANDS-ON WORKSHOPS AND SHORT COURSES

BE INSPIRED BY EXPERT KEYNOTE SPEAKERS SHAPING THE FIELD

MAKE A DIFFERENCE THROUGH COMMUNITY OUTREACH

BROWSE EXHIBITS FEATURING THE LATEST INNOVATIONS

About EAST

EAST is a leading international organization of 3,800+ trauma professionals dedicated to improving outcomes for injured and critically ill patients.

Our members include:

- Renowned academic authorities
- Trauma center and ICU directors
- Influential leaders in the trauma field

Join Our Community

EAST welcomes everyone involved in the care of trauma patients:

- Trauma, acute care, and burn surgeons
- Physicians in surgical and non-surgical specialties
- Nurses and advanced practice providers
- EMS professionals, trauma program coordinators, and researchers
- Other allied trauma care providers
- International medical professionals
- Surgical residents
- Medical students
